They are both for ICCA, so indirectly in the HPV challenge.

Thanks,

Subject: CAS#s 110974 and 122203

Dear Carrie Houtman,

We at EPA recently received a test plan and robust summaries for CAS#s 110974 and 122203. Do you intend for these chemicals to be directly sponsored in the HPV Challenge Program, or indirectly in the HPV Challenge Program through the ICCA HPV Initiative?

Thank you for the clarification.

Sincerely,
Jeffrey Taylor
